MY FAVORITE

THING

MY CAT.

- He's a black cat named Tobi Rumi.

- When I was in high school, I picked him up when he fell in the drainage in front of the boys' lot.

- He's a student bag, but he's also a security cat. When I'm allowed to pat him, I report him rather. He's just like a founder.

Hana Chino.

OF COURSE!

RINKO IS MY
GIRLFRIEND
AFTER ALL.
